Prospect School Unified Interscholastic Sports Information

Unified Sports® teams are comprised of a proportional number of student-athletes with intellectual disabilities and students without disabilities, who train and compete together on the same team. However, a Unified Sports team should never be comprised solely of individuals with disabilities.

The composition of a Unified Sports team shall include student-athletes with necessary sport-specific skills and shall combine an approximately equal number of Athletes and Unified Partners. A Unified Sports team shall not include student-athletes who dominate play, exclude other teammates from contributing to the success of the team, or present a health and safety risk. By permitting any student-athlete to dominate play, other student athletes’ roles and opportunities are greatly limited.

Schools are responsible for providing their own uniforms, transportation and the same logistical support they would any other varsity team at practices and home games.

Special Olympics Delaware currently creates the schedule for Unified Flag Football (SODE sets dates and schools set times) and Basketball (SODE sets matchups and the schools set time and date). SODE currently offers a Play Day at the beginning of Flag Football and Basketball open to all participating schools. Track and Field goes along with the regular track team’s schedule, but SODE does offer an Invitational for just unified teams during the season. All schools can add games to their schedule during the season. SODE will schedule officials after the games have been input into WebSites4Sports.com.

TEAM ROSTERS AND ELIGIBILITY

1. Each team shall have an adult non-playing coach responsible for the lineup and conduct of the team during competition. Ideally, there is also at least one adult assistant coach.
2. All participants need to have the appropriate paperwork completed as required by the DIAA and their own school system. **Valid DIAA Physical is required to participate in Unified Interscholastic Sports**
3. There is no minimum number of athletes or unified partners required to participate in Unified Track and Field (we have had schools with just 1 athlete that trains and competes with the regular team.
4. Game Day Rosters for Flag Football and Basketball shall contain a proportionate number of athletes and Unified partners. The roster must contain a minimum of 5 (3 athletes and 2 Unified partners) and a maximum of 15 (9 athletes and 6 Unified partners) players. Teams may carry unlimited athletes and unified partners on team roster to practice and help out with team.
5. “Unified Athlete” is defined as a student with mild, moderate, or severe intellectual disability as defined in Section 3.0 of 14 DE Admin. Code 922 or a student who has autism. The student must be enrolled at a DIAA Member School.
6. “Unified Partner” is defined as a student who is not identified as a Unified Athlete, is enrolled at a DIAA Member School, and does not appear on any school eligibility report submitted to DIAA for a non-Unified school team in the same sport (no tackle football players).
7. A student-athlete whose functional limitations are based solely on emotional, physical, sensory, or behavioral disability, is not eligible to participate as a Unified Athlete but may be eligible to participate as a Unified Partner.
